

# TOOWBAY BAY SLSC step by step online registration

## **Step 1 - Registration/Membership Renewal**

To join our surf life saving club **for the first time** or to create an account, go to <http://sls.com.au/join>.

All existing and new members are required to set up an account with SLSA which will be used to create and renew your registration. This account also holds all your information such as proficiencies and awards. Account holders can log-in, update details, renew membership and pay membership fees in the Portal once you have created an account.

**Existing Members** - Login to the members' area <https://members.sls.com.au/>. The Member Portal Account uses the name, email address and mobile number that is stored in your club registration details (in the Surf guard database). If you have changed your email address or mobile number since you last accessed your account, please contact the [office.toowoonbayslsc@gmail.com](mailto:office.toowoonbayslsc@gmail.com) to get your details updated in Surfguard. When the correct details are recorded, you will be able to create or access your account.

### **Do you have multiple family members that need to renew/register?**

**The SLSA Member Portal provides access to an individual person's membership record in the national membership database, so each family member needs to have an account. You can still pay for the whole family in one go (see below), but because we patrol as individuals, earn awards as individuals and have individual personal details - everyone needs their own Portal account. Note: There's nothing stopping you from using the same email address and password for everyone's accounts - but each member needs a different username.**

**Once you have created a portal account for each member of your family, you can create a "Family Group".**

**For Nipper membership at least one parent must also be registered and a parent will need to accompany the child to Nipper activities (and join in too!). Please ensure the parent member is also registered, paid and indicated on the payment (see below).**

**PLEASE COMPLETE YOUR PAYMENT FOR REGISTRATION AT THE TIME OF RENEWAL (SEE STEP 2). YOUR REGISTRATION/RENEWAL WILL NOT BE ACCEPTED UNTIL YOU HAVE MADE PAYMENT.**

## Step 2 - Payment of Membership Fees

Once you have created your account and renewed your membership, you need to pay the membership fee. Payment can be made via the portal - please ensure you provide details of your full name, membership fee (see below), the full name of the included parent member and the full name of anyone else you are making a payment for (and the fee).

Fees for Season 2019/20 are as follows

### TOOWBAY BAY SLSC Fee's

Stingray		\$55.00
Associate (include Parent Associate)		\$75.00
Stingray associate		\$55.00
Family		\$270.00
Extra Family Members		\$55.00

### Examples:

1 nipper U9s and 1 general/non-active parent/guardian = \$175.

2 nippers U6 U10 and 1 general/non-active parent/guardian = \$275

**Using your Active Kids voucher: In the payment details, just include your child's name, date of birth and voucher number. This covers up to \$100 of the nipper membership fee.**

### **Step 3 - Member Protection Declaration**

All new adult members are required to bring birth certificates, driving licence to the club on registration days. Most existing members have already done this.

### **Step 4 - Acceptance of Membership**

Upon receipt of re-application, which must include full payment of membership fee's.

For insurance purposes that re-applications of membership must be completed before any training or competition is undertaken
